CALLER: No, they have a party going on and they're all in the street. It's like a flash mob, and they're drinking and fighting.

OPERATOR: Okay. About how many people?

CALLER: I can't even count. It's a whole bunch of them. It's like 40 of them out there, and they block off Barry Park. They're on both sides of the no parking street. They're blocking the street completely with cars.

OPERATOR: Okay.

CALLER: And they're out there fighting. Please send an officer right now.

OPERATOR: Okay. Would you like to leave your first name or telephone number?

CALLER: No, I need it to be anonymous.

OPERATOR: Okay. And you stated that they blocked off the street? Did they block it off with barricades?

CALLER: No, the cars on Barry Park. They blocked it completely. They are parked all on the side where it says no parking.

OPERATOR: Okay. And –

CALLER: They were fighting a minute ago in the middle of the street.

OPERATOR: Okay. About how many people were fighting? Do you know? Were you able to see?

CALLER: No, I can't tell. The party is going on. I think it's between 24 and 26 Barry Street, and when you send officers you're going to see what they did on Barry Park.

OPERATOR: Okay. Between 24 and what was the other number?

CALLER: I think it's between 24 and 26 is the party.

OPERATOR: Okay. Do you know if they were originally inside?

CALLER: They're all outside in the street.

OPERATOR: Okay. But do you know if they were inside at any point? Do you know if this was like a house party that just got too large?

CALLER: It's a house party and this has been going on since this afternoon.

OPERATOR: Okay. Do you know if they have any DJ equipment set up?

CALLER: Probably. I'm hearing the music.

OPERATOR: Okay. Do you know if they're charging admission?

CALLER: I don't know.

OPERATOR: Not sure? Okay.

CALLER: No, I don't know, but the whole of Barry Park is blocked off. The cars are blocking the street. You can't get out. All up on the sidewalk where the no parking signs are.

OPERATOR: Okay.

CALLER: I am an elderly person, and I need to get my rest.

OPERATOR: Okay. Do you know – just one more question. Do you know approximately how many cars are out there?

CALLER: Oh, God, the whole street. The whole street, both sides, on both sides of Barry Park, all up on the sidewalk where it has the no parking sign. Please get an officer out here. I need to get – I can't take this.

OPERATOR: Okay, ma'am, we are going to send the next available police officer.
Okay?
